Radiation Hardened Structured ASIC Platform for Rapid Chip Development for Very High Speed System on a Chip (SoC) and Complex Digital Logic Systems

Firm State: Colorado [8]
Firm City: Colorado Springs
RI Street: 

Firm Name: Microelectronics Research Development Corporation
RI City: 
RI Zip: 
RI Zip4: 
RI Official First Name: 
RI Official Last Name: 
RI Official Phone: 
RI Official Email: 

EHB Subtopic Number: S20.03
EHB Subtopic Parent: S20
EHB Center: GSFC
Firm Street: 4775 Centennial Boulevard, Suite 130
Migration ID: 0
Migration Firm ID: 0
Migration Solicit ID: 0
Award Tech Taxonomy:
Navigation & Guidance [9]
Spacecraft Instrumentation & Astronics (see also Communications; Control & Monitoring; Information Systems) [10]
Command & Control [11]
Circuits (including ICs; for specific applications, see e.g., Communications, Networking & Signal Transport; Control & Monitoring, Sensors) [12]
Manufacturing Methods [13]
Prototyping [14]
Software Tools (Analysis, Design) [15]
Computer System Architectures [16]
Data Acquisition (see also Sensors) [17]
Data Processing [18]
