#### Firm Commercialization Narrative

You may, at your option, prepare a brief narrative discussing your firm's commercialization track record, including such items as:

- Commercialization successes that are not fully captured in the quantitative results (e.g. commercialization resulting from your firm's prior phase I projects);
- Any mitigating factors that could account for low commercialization; and
- Recent changes in the firm's organization or personnel designed to increase the firm's commercialization success.
