

Proposal # T1.01-9941 Research Agreement

This is a pre-defined model research agreement. If you would like to use your own research agreement, please access the [custom research agreement form](#).

To save updates, click the "Save" button at the bottom of the form.

By virtue of the signatures of our authorized representatives, **Test Firm**, and **test** have agreed to cooperate on the **Test** Project, in accordance with the proposal being submitted with this agreement.

This agreement shall be binding until the completion of all Phase 1 activities, at a minimum. If the **Test** Project is selected to continue into Phase 2, the agreement may also be binding in Phase 2 activities that are funded by NASA, then this agreement shall be binding until those activities are completed. The agreement may also be binding in Phase 3 activities that are funded by NASA.

After notification of Phase 1 selection and prior to contract release, we shall prepare and submit, if requested by NASA, an **Allocation of Rights Agreement**, which shall state our rights to the intellectual property and technology to be developed and commercialized by the **Test** Project. We understand that our contract cannot be approved and project activities may not commence until the **Allocation of Rights Agreement** has been signed and certified to NASA.
