

National Aeronautics and Space Administration (NASA) Small Business Innovation Research (SBIR) Ignite Solicitation

TECHNICAL AND BUSINESS ASSISTANCE (TABA)

Technical and Business Assistance (TABA) (if applicable)

- Refer to Section 1.9 of the 2022 Ignite solicitation for information on what services qualify as Technical and Business Assistance and Section 3.5.3.8 for additional instructions on how to propose.
- Provide the name of the TABA vendor, and a vendor contact that the NASA Procurement Office can contact for budget information.
- Provide the proposed cost for this TABA vendor.
- **The total proposed cost for all TABA for your R/R&D effort cannot exceed \$6,500.**
- Complete this form for each TABA vendor proposed for your R/R&D effort. *If you need to include additional TABA vendors, please start another version of this form and append the document title with the form number.*
